RE: Investigation of credit file.

Dear <<<<<< replace with Credit Bureau name >>>>>>:

On \_\_\_\_\_ (date), I wrote to <<<<<< replace with Credit Bureau name >>>>>> at this address and filed a dispute of information in my credit report. This dispute indicated that the information was in dispute and identified the data from the language used in the credit report.

I also gave my address and copy of my drivers license. And I've enclosed those documents again now.

Please expedite my original request dated 10/7/2007. It has now been 14 days and I am still burdened with inaccurate credit reporting.

Sincerely,
